## **NEW School Master's Sessions**

**These sessions are designed to promote the art of performance  
and expose a student to the stage.**

CAIW welcomes **Intermediate – Advanced students** who are musicians, poets, dancers, singers, and storytellers to participate in a relaxed, fun environment. We encourage families and group performances.

Daily Signup Sheet at the Tir Na N'og Office from 9 AM - 3:45 PM.

There are only 10 slots available per day for a 5 minute piece.

There will be three judges; two drawn from the faculty,  
and one being the owner/manager of the host house for that day.

The best performer(s) will be chosen from each day's entrants,  
and there will a finale session to determine the winner at McGrath's on  
Friday from 4-5 pm.

The Winner will perform on stage in the School Master's corner.
